

October 2023						
Name/Site	Conference Description	Location City & State	Date of Conference	Funding Source	Total Estimated Cost	Justification for Conference
Deborah Farrington-YS/NSES	2023 AOSA Professional Development Conference	Albuquerque, NM	November 1-4, 2023	Gernal Fund	\$1,760.31	The AOSA Professional Development Conference will help music educators to be knowledgeable about the current trends in education and to be leaders in our school sites by learning how to incorporate 21st century skills and the common core into instruction. The music educator will also learn effective research based Strategies that will inspire exploration, imitation and creation through playfull learning. The music educator will experience active, hands-on music making that will allow the educator to further develop their musicianship and teaching process.
Kami Murphy-ESC Cheri Rigdon-ESC	2023 DoDEA Grant Program Professional Learning Meeting	Savana, Georgia	December 12-14, 2023	FLARE Grant SHAPE Grant	\$2,641.11 \$2,641.11  Total: \$5,282.22	The 2023 DoDEA Grant Program Professional Learning Meeting is a Community of Practice (COP) that will help provide capacity building resources that enable all to work towards the shared goal of academic excellence for all students. The COP is a catalyst for progress where educators ideas can collide, spark new insights and pave the way for promising practices in support of military child education. This meeting will help assist in moving toward successful grant implementation and help cultivate the resiliency needed for grant success.
