ODR Data 2021 - 2022

- ❑ August to October - 27
- ❑ November to January - 0
- ❑ Caught Being Good (CBG) Tickets given to date - 306

Science, Technology,
Engineering, Math
(S.T.E.M.)

Challenges

- ❑ Saving Sam
- ❑ Pringles Circle
- ❑ Tower building
- ❑ Pumpkin Data

S.T.E.A.M.

Hands-On

- ❑ Pumpkin Patch
- ❑ Tectonic Oranges
- ❑ Tsunami Display

STEM Bins

- ❑ Legos
- ❑ Straws
- ❑ Plus-Plus
- ❑ Blocks
- ❑ Pattern Blocks
- ❑ Magnetic

Activities

- ❑ Pumpkin Patch
- ❑ Directed Drawing
- ❑ Painting-Art
- ❑ Building Monsters
w/sister school

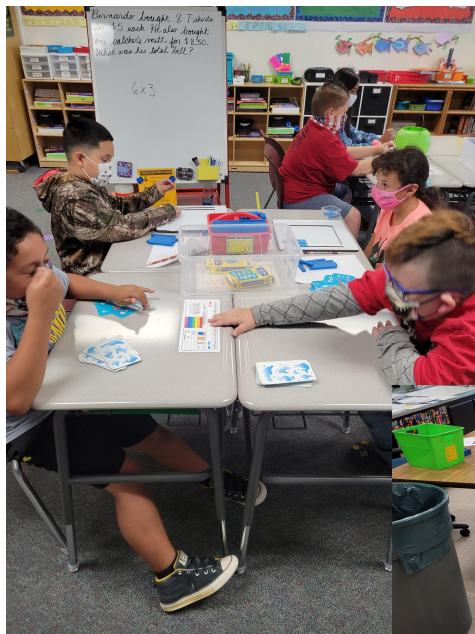

Transformations

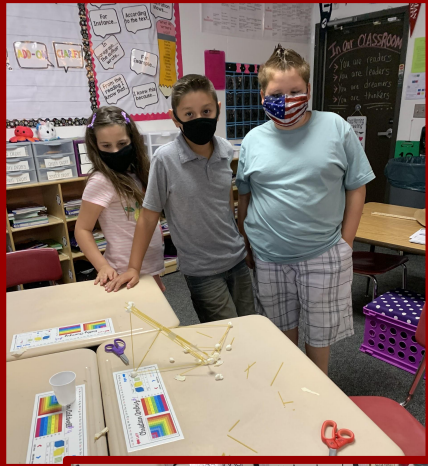

- ❑ Book Genre Restaurant
- ❑ Grinchmas-S.T.E.M
- ❑ Math Spending \$.
- ❑ CSI Investigations

The Eclipse is a ship that uses sustainable power. It has a garden for your food, a bedroom to sleep, a storage room, and an anchor room. Underneath the ship there is a tiny submarine to explore the oceans secrets. I chose to make this ship because I want to reduce climate change and reduce the air pollution. The submarine on the bottom is for exploring the ocean. This is my dream ship.

Mikhail Jarachovic
Newberry Springs Elementary
age 9
