

SILVER VALLEY UNIFIED SCHOOL DISTRICT

AGENDA MATTER:

Classified Personnel: Request for two additional Categorical Instructional Aide positions at Yermo School. These positions would be for 5.75 hours each day, five (5) days a week, 184 days per school year.

EXECUTIVE SUMMARY:

Based on initial iReady diagnostics, almost 50% of students at Yermo School are performing at least two grade levels below standards in ELA and/or Math. A goal of the school's SPSA is to increase academic achievement in both of these areas. One strategy that will be used to support the goal will be to increase the availability of targeted small group and 1:1 instruction provided by Categorical Aides.

JUSTIFICATION:

The addition of two Categorical Aides for 5.75 hours each day at Yermo School would allow for additional Tier II supports for identified students in both ELA and Math. These aides would be tasked to work with students in small groups or 1:1 to deliver targeted academic support as identified and supported by classroom teachers.

RECOMMENDED ACTIONS:

It is recommended that the School Board approve adding two Categorical Aide positions for 5.75 hours a day, five days per week, 184 days per year. at Yermo School. These positions would be funded through Title I and it is recommended that they remain open dependent on funding availability.
