Description

Directions:

- Enter your Service Provider Name and E-rate eligible cost in order from lowest to highest.
- Each criteria has a Criteria Weight. Vendors are assigned points on how well they meet each factor, but cannot be assigned raw scores higher than the total number of responders.
- The entries for all factors are then totaled for each vendor. The winning bidder is the one with the highest score.
- The cost of E-Rate eligible services must be weighted most heavily to be in compliance with FCC rules.
- If NO bids are received, then indicate NO bids received under Winning Bidder and sign and date matrix.
- Keep this evaluation and all bids (winning and losing) in your permanent E-rate records.

Comments:

Frontier has major service reliability issues and access to customer service is a major problem and does not meet District's minimum requirements. Past experience with Spectrum's reliability and access to customer service has been exceptional and meets District's requirements.
