

School Year: **2021-22**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Fort Irwin Middle School	36-73890-6104681	11/29/2021	

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Fort Irwin Middle School will meet all ESSA (Every Student Succeeds Act) requirements to support all students' academic achievement, particularly the lowest-achieving students. Through these requirements, students will demonstrate proficiency on the State's academic standards and California Dashboard Indicators. The school goals are designed to influence our site's educational programming and are aligned with the goals of the LCAP. The goals are also designed to support the school in improving state Dashboard indicators related to school climate, academic achievement, graduation rate, college and career readiness, and local indicators as defined in the Dashboard.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

2020-2021 Student Survey Results

1. When asked, at my school, is there a teacher or some other adult who cares about me? 84.1% of the students surveyed feel that this is very much or pretty much true.
2. When asked, is there a teacher or some other adult who tells you when you are doing a good job? 84.3% of the students surveyed feel that this is very much or pretty much true.
3. When asked, are you engaged and interested in learning at your school? 81.4% of the students surveyed feel that this is very much or pretty much true.
4. When asked, are you happy to be at this school? 93.5% of the students surveyed stated they strongly agree or agree with this statement.
5. When asked, do you feel the teachers and other adults treat students fairly at this school? 95% of the students surveyed agreed or strongly agreed.
6. When asked, do you feel safe at this school? 88.6% of the students surveyed feel they are safe at school most or all of the time.
7. When asked, are assemblies, field trips, and other activities important at the school? 95% of the students strongly agreed or agreed.
8. When asked, do you see the principal in your classroom? 61.4% of the students surveyed indicated they see the principal some of the time or most of the time in their classroom.
9. When asked, would you recommend Fort Irwin Middle School to other kids? 90% of the students surveyed stated yes they would recommend their school.
10. When asked if there is a teacher or adult on campus I can go to if there is a conflict between myself and another student? 67.1% of students surveyed agreed or strongly agreed, and 30% of students responded as neutral.
11. When asked, does my school provide students with help if they are having trouble with their school work? 86.4% agree or strongly agree, and 12.1% responded as neutral.
12. When asked if I am having a hard time with something in my life besides academics, I know what teacher or adult on campus I can talk to? 67.2% of the students surveyed agree or strongly agree, and 23.6% responded as neutral.
13. When asked if other students' negative behaviors in class have made it difficult for me to learn? 37.2% of students surveyed disagree or strongly disagree, and 29.3% responded as neutral.
14. When asked if they feel SVUSD implemented safety protocols during the 2020-2021 school year that kept me and the other students safe? 82.1% of the students surveyed agree or strongly agree.

2020-2021 Parent/Guardian Survey Results

1. When asked, when you visit your child's school, is the staff friendly and helpful? 95.6% of parents and guardians surveyed responded as all of the time or most of the time.
2. When asked, are the administrators easy to talk to? 96.8% of parents and guardians responded all of the time or most of the time.
3. When asked, are parents involved in planning, implementing, or evaluating school programs? 45.7% of parents and guardians surveyed responded yes, and 50% responded that they did not know.
4. When asked if my involvement in my child's education is valued at my school? 97.8% of parents and guardians surveyed strongly agreed or agreed.

5. When asked if this school sets high standards for academic performance for all students? 94.6% of parents and guardians surveyed strongly agree or agree.
6. When asked if my child's school is good about staying in touch with me? 94.6% of parents and guardians surveyed strongly agree or agree.
7. When asked if my child's school clearly communicates to students the consequences of breaking school rules? 95.6% of parents and guardians strongly agree or agree.
8. When asked if my child's school rewards good student choices and behaviors? 92.3% of parents and guardians surveyed said all of the time and most of the time.
9. When asked if they would recommend their child's school to other parents? 96.7% of parents and guardians surveyed said yes.
10. When the parent of students with an IEP (Individualized Educational Program only) was asked if the school is helping Special Education students meet their Individualized Educational Program goals and be proficient on the state and local tests? 88.8% of parents agreed or strongly agreed.
11. When the parent of English Learners students was asked if the school is helping English Learners learn English as quickly as possible and be proficient on the state and local tests? 88.9 % of parents agreed or strongly agreed.
12. When asked if they feel SVUSD implemented safety protocols during the 2020-2021 school year that kept students safe? 100% of parents agreed or strongly agreed.

2020-2021 Staff Survey Results 14 Results

1. When asked if this school is a supportive and inviting place for a student to learn? 100% of staff agreed or strongly agreed.
2. When asked if this school promotes trust and collegiality among staff? 100% of staff agreed or strongly agreed.
3. When asked if the school provides the materials, resources, and training (professional development needed to do your job effectively? 85.7% of staff agreed or strongly agreed.
4. When asked if this school effectively handles student discipline and behavioral problems? 100% of staff agreed or strongly agreed.
5. When asked if the school is a safe place for students? 100% of staff agreed or strongly agreed.
6. When asked if this school is welcoming to and facilitates parent involvement? 100% of staff agreed or disagreed.
7. When asked if this school has sufficient resources to create a safe campus? 100% of staff agreed or strongly agreed.
8. When asked if staff feel supported by their administrator? 100% of staff agreed or strongly agreed.
9. When asked if my administrator provides organizational support for collaboration? 100% of staff agreed or strongly agreed.
10. When asked if I use technology regularly to communicate with parents and students? 100% of staff agreed or strongly agreed.
11. When asked if the technology services department supports staff? 92.8 % of staff agreed or strongly agreed.
12. When asked if professional development sessions have enhanced my ability to teach math to my students? 100% of math teachers agreed or strongly agreed.
13. When asked if staff had been able to apply what they learned in math/science professional development in their classroom? 100% of math and science staff agreed or strongly agreed.
14. When asked if staff have adequate textbooks, digital tools, professional development, and hands-on materials to teach NGSS effectively to my students? 100% of staff agreed or disagreed.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Principal at Fort Irwin Middle School utilizes three types of classroom observations throughout the school year. There are scheduled and unscheduled formal observations, informal observations, and progress monitoring observations.

Scheduled and unscheduled formal classroom observations are conducted in accordance with the Silver Valley Unified School District and Silver Valley Educational Association (SVEA) collective bargaining agreement. These observations are part of the agreement and are conducted within a set of agreed-upon expectations and deadlines. Probationary and Permanent certificated staff have specified intervals for formal observations.

Informal observations (walkthrough) are conducted routinely by school and district administration. During these walkthrough observations, the principal and/or district administration are looking for successes in our instructional program, implementation, or areas of opportunity to implement a new curriculum, and for areas of opportunity to support students and staff. These walkthrough observations with our district leaders give us valuable insight and time to discuss each teacher's needs and the students in the classrooms.

Progress monitoring observations for students are those in which the Principal or district administration follows up on pre-planned student observations to ensure that students are supported. These may occur after meeting with a parent or giving feedback to parents about a student's progress. Progress monitoring observations are used only when necessary, and only to support students' academics or personal growth.

At least two times per year, the School Principal meets with all certificated teachers to see how individual students succeed in and out of the classroom. The school Principal also discusses the need to support the teacher's differentiation of instruction for students in their classroom. During the student monitoring conferences, teachers discuss with the principal the academic successes and struggles and the social/emotional and behavioral success and struggle each student is exhibiting in and out of the classroom.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

State and local assessments are used according to state and local requirements to support our students' academic needs. Assessment windows are determined as early as possible by the school district and then shared with the school sites to ensure that adequate instructional time is devoted to all students' success. Instruction is planned utilizing the most current California Common Core State Standards. Additionally, released test questions and instructional support materials from Silver Valley USD's adopted curriculum are used to align curriculum with anticipated questions on state and local assessments.

Credentialed teachers at Fort Irwin Middle School are expected to familiarize themselves with the California Assessment of Student Performance and Progress (CAASPP) Interim Assessment and Assessment Blocks, Edmentum, and Pearson Realize and how student achievement data is differentiated in their classes. Teachers will continue to use this information to target instruction. Student achievement test scores are also used to identify students for placement in an academic intervention or enrichment groups using Response to Intervention and Instruction designated instructional time. In addition, the FIMS Response to Intervention curriculum for students identified to be below grade level and in need of academic supports includes Edmentum and Houghton Mifflin Harcourt's Read 180, and System 44 curriculum. ELPAC assessment data is used to identify English Learners and support their growth through English language development instruction in the classroom.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Certificated teachers are expected to use several student-based operating systems to gather educational information on each student by Name, Need, and Skill. Students use the Edmentum Exact path computer program in Mathematics, Reading, English Language Arts. All of this data is used for student placement and to differentiate instruction within the classroom. This is done to target students who need additional support strategically. This support may be provided through the general education setting, using small group or individualized tutoring appointments before/during/after school, or through the school's Response to Intervention program. Teachers also gather assessment data from our Data Base System. The following assessment data is reviewed and analyzed to measure student progress; Edmentum Diagnostic, California Assessment of Student Performance and Progress (CAASPP) Interim Assessment and Assessment Blocks and ELPAC. This information helps determine the needs of the students and how instruction should be modified.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All certificated staff has met the No Child Left Behind requirements of being a highly qualified teacher or are working towards becoming a highly qualified teacher. All classified instructional aide staff members have passed the requirements and testing to be highly qualified to work with students. Silver Valley Unified School District Human Resource Department works extremely hard to ensure every Silver Valley team member has met all requirements to qualify as highly qualified staff.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Silver Valley Unified School District provides extensive professional development for teachers, specifically in English/Language Arts, Mathematics, and RTI. This takes place in professional development sessions at the school district's Educational Services Center and the individual school sites.

At the school site, there are four sixth grade teachers, four seventh grade teachers, and four eighth grade teachers. We also have one half-time music teacher shared with Tiefort View Intermediate School, two Physical Education teachers, and two Special Day Class/Resource Specialist Teacher. All of the school's teachers participate in district and school provided professional development in mathematics and English language arts, including writing throughout the school year.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development at Silver Valley Unified School District occurs at the district's Educational Support Center or the individual school sites. Every Wednesday, teachers meet in Professional Learning Communities to learn new instructional strategies, support existing instructional strategies, or meet as grade levels or instructional core groups for planning and curriculum articulation. These staff development sessions are designed to align the curriculum between school sites, increase collaboration, and grow the educator. Additionally, every six weeks, all teachers K-8 meet at Yermo School to collaborate on curriculum needs for the current and upcoming year, discuss testing and benchmarks, and align instructional strategies across the district. District collaboration is an essential tool to help ensure that adopted materials are used efficiently and effectively and help support teachers with fresh ideas and best practices that they can use in their classrooms.

Staff development is focused on becoming a professional learning community (PLC). Fort Irwin Middle School arranges its academic instructional program around four essential components and the Dufour's four questions.

1. What is it we want our students to know?
2. How will we know if they have learned it?
3. What will we do if they do not know it?
4. What will we do if they already know it?

By focusing on these four questions, the site and district have framed what is important to each student. We can answer these four questions using the following essential components: High-Quality Standards-Based Instruction, Universal Access, Academic Safety Nets, and Social/Emotional Safety Nets.

Through Response to Intervention at Fort Irwin Middle School, we ensure each child receives the time and support needed to achieve academic success. While using the book *Simplifying Response to Intervention Four Essential Guiding Principles* by Austin Buffum, Mike Mattos, and Chris Weber, our staff uses the following four essential guiding principles.

1. Collective Responsibility
2. Concentrated Instruction
3. Convergent Assessment
4. Certain (guarantee) Access

These questions are a guide to hold every person on campus, responsible for ensuring ALL students are learning. All students are being given targeted instruction. All students will have the same access to academic materials, computer technology, and access to celebrating their successes. Not only does this resource (book) address academic interventions but also behavioral interventions. Through these questions, we are taking teaching and learning above and beyond. Today's students are moving beyond the basics and embracing the 4 C's - "super skills" for the 21st century! The 4 C's include Communication, Collaboration, Critical Thinking, and Creativity.

*Programs and scheduling are subject to change due to the current instructional format.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

SVUSD provides ongoing instructional assistance and support for teachers via multiple methods: district-based coaching, out of district coaching, both in and out of district training, and classroom-based support. District-based coaches are coaches that the school district employs to support other teachers. An example of these is the district's two Positive Behavioral Interventions and Supports (PBIS) coaches. The coaches visit school sites throughout the year to assist the staff with implementing PBIS strategies, develop PBIS guidelines, and provide ongoing PBIS support that is aligned with Desert Mountain SELPA PBIS frameworks and National PBIS Standards.

Along with the professional development offered to all teachers through our partnership with Pearson, several content experts work alongside the teachers to help with any concerns. These content experts have helped whenever the teachers need it. One example of a Silver Valley Unified School District partnership with a content expert is Pat Pavelka. Mrs. Pavelka provides strategies for teachers to use in their classrooms. She also visits the classrooms and provides classroom coaching to the teachers through classroom management strategies, reading, and writing strategies. Like Mrs. Pavelka, Kristen Hilty provides teachers with instructional strategies they can use in mathematics. There has also been Professional Development training with Edmentum Exact Path, Read 180, System 44, and Lisa Rogers in social emotional learning and classroom management.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

The regular master schedule at FIMS has a built-in minimum day schedule to accommodate professional learning community meetings every Wednesday afternoon. With the Principal's guidance, the teachers are provided with numerous opportunities to collaborate as a team, as grade levels, and as instructional core departments. Approximately every six weeks throughout the school year, Silver Valley Unified School District schools meet at Yermo School to collaborate as instructional core departments. During these meetings, topics such as vertical and horizontal curriculum alignment, instructional strategies, best practices, annual standardized test preparation strategies, and ongoing issues affecting the school district are discussed. Based on these meetings' feedback, the school district then conducts a further investigation into how it can support teachers and students at individual school sites.

*Programs and scheduling are subject to change due to the current instructional format.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Silver Valley Unified School District adopts and provides curriculum that is utilized in classroom instruction aligned with Common Core State Standards. Throughout the year, teachers are provided time to collaborate with the School Principal and grade level chairs to create pacing guides, lesson plans, and assessments aligned with Common Core State Standards and adopted curriculum. Each year, the pacing guides and lesson plans are adjusted to support the needs of students. Extra work days are provided by Silver Valley Unified School District for teachers to volunteer their summer for them to modify and adjust the pacing guides and lesson plans based on department suggestions.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

The Principal of Fort Irwin Middle School verifies the total instructional minutes each year. Daily bell schedules are provided to the district administration for minimum and regular instructional days to ensure that the English Language Arts and Mathematics's instructional minute requirements are met. Time is also embedded into the master schedule for Response to Intervention for all students for intensive instruction or for enrichment depending on student needs.

*Programs and scheduling are subject to change due to the current instructional format.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Fort Irwin Middle School meets lesson pacing requirements through master schedule flexibility and allowing sufficient time for intervention courses. Each year, the master schedule is reviewed to ensure that it includes sufficient time for RTI intervention throughout the school day, allows for flexibility in scheduling should students' needs change, and provides time for staff to prepare their lessons successfully. Tutoring in English Language Arts, Mathematics, Science, and Social Science is provided before and after school to students needing additional academic support. RTI programs are available for students in need of structured academic support in reading and math.

*Programs and scheduling are subject to change due to the current instructional format.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Silver Valley Unified School District ensures that students have sufficient materials aligned with the California Common Core State Standards. All teachers are provided with adopted materials in accordance with California's textbook adoption cycle, which includes purchasing student textbooks. The district office provides full funding for all adopted materials. Additional supplemental materials are purchased using site funds.

The Silver Valley Unified School District textbook adoption policy is followed, including review and recommendation by a site committee of parents and teachers, review and recommendation by the District Curriculum and Instruction Committee, public inspection, and School Board review and adoption.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Silver Valley Unified School District provides adopted materials to school sites, thereby ensuring that students have sufficient materials aligned with California Common Core State Standards. Whenever possible, English Language Development and intervention strategies are included to support English Learners and struggling students.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Fort Irwin Middle School provides Response to Intervention (RtI) classes for targeted intervention in English Language Arts and Mathematics for students who need the most support. Enrichment classes are built in the master schedule to challenge students in the general education setting. Through initial testing, students identified as under-performing are placed in a small group intervention class during the school day. In the general education classroom, teachers utilize differentiation strategies to meet students' needs with differing levels of performance. Throughout the year, teachers utilize benchmark and formative assessment data to identify learners needing individual support. Teachers and the principal meet to identify the needs of students quarterly.

*Programs and scheduling are subject to change due to the current instructional format.

Evidence-based educational practices to raise student achievement

Silver Valley Unified School District adopts research-based intervention programs. The following programs are currently being used at Fort Irwin Middle School: Read 180 and Edmentum. These programs are used to increase student achievement in the general education setting. These programs are research-based and supplemented with small group instruction to help our special education, English language learners, and struggling students increase their reading and mathematics skills. Silver Valley Unified School District provides professional development to support teachers with up-to-date information and training on the programs.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

At Fort Irwin Middle School, we have a before and after school tutoring program to meet underachieving students' needs in literacy and mathematics. We also offer extra-curricular activities for students such as cheerleading, cross country, volleyball, basketball, and soccer. We have built-in enrichment courses in our master schedule to challenge and interest students. A few of the course offerings are STEM (science, technology, engineering, and math), Science Enrichment, Math Enrichment, Film Studies, Art, AVID, and Music (instrument and vocal). Our parent-teacher organization helps bring outside programs to our school for enrichment activities, providing assemblies, and supporting various sports games.

*Programs and scheduling are subject to change due to the current instructional format.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

At Fort Irwin Middle School, our School Site Council meets monthly to discuss the Student Plan for Student Achievement and how we will continue to meet our students' needs academically and financially. The School Site Council also meets to discuss the Site Safety Plan. We also have a Site Strategic Planning Team which meets yearly to discuss the needs of the school and students. The Site Strategic Planning team works together to ensure the school maintains alignment with the district pillars of focus and the LCAP. The Site Strategic Planning Team brings forward recommendations to the site administrator and staff for improvements. Parents and FIMS Staff are also invited to participate in the Silver Valley Unified School District Strategic Planning meeting twice a year, in the fall and spring. The district strategic planning committee works together to ensure the district provides the services as stated in the LCAP.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

The school district has adopted Response to Intervention programs and technology to support underperforming students aligned with California Common Core State Standards. Two computer labs have been provided for teachers to utilize when preparing for state tests, and to support academic instruction. All students in grades 6-8th were provided with a district laptop for use in all academic areas. Academic conferences have been funded to support teachers in using ways to Differentiate Instruction in content area classrooms.

Fiscal support (EPC)

Fort Irwin Middle School is provided a site budget to be used based on the school's needs and to support student achievement and success. The funding is spent in accordance with students' needs and includes the purchase of technology, instructional support materials, conferences, and other professional development training. A key pillar of Fort Irwin Middle School is Positive Behavioral Interventions and Supports. This program is supported by school funds both for training and student support.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The school site council met to review the needs assessment and progress of student groups on November 2 2020. During this meeting goals, actions, funding, and services were discussed and the 2020-2021 SPSA was approved. Participants included, students, parents, teachers, counselors, parents, and administrative staff.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Fort Irwin Middle School is not in CSI, TSI, or ATSI.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	0.73%	0.63%	1.8%	2	2	5
African American	9.09%	11.39%	11.3%	25	36	31
Asian	0.73%	0.63%	1.1%	2	2	3
Filipino	1.82%	1.58%	2.2%	5	5	6
Hispanic/Latino	33.45%	30.38%	34.2%	92	96	94
Pacific Islander	4%	1.58%	2.9%	11	5	8
White	37.45%	40.51%	36.4%	103	128	100
Multiple/No Response	%	0.95%	9.8%		39	27
Total Enrollment				275	316	275

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Grade 6	101	121	99
Grade 7	97	88	109
Grade 8	77	107	67
Total Enrollment	275	316	275

Conclusions based on this data:

1. Enrollment declined during the 2020-2021 school year.
2. 7th grade saw an increase in enrollment during the 2020-2021 school year.
3. 6th and 8th grade saw the most significant decline in enrollment.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	9	9	10	3.3%	2.8%	3.6%
Fluent English Proficient (FEP)	13	13	11	4.7%	4.1%	4.0%
Reclassified Fluent English Proficient (RFEP)	0	0	0	0.0%	0.0%	0.0%

Conclusions based on this data:

1. During the 2017-2018 school year the largest number of students were reclassified as Fluent English Proficient (RFEP) with three students being reclassified.
2. The enrollment of English Learners has remained nearly the same each each.
3. During the 2018-2019 and 2019-2020 school year there were zero reclassifications.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Grade 7	10.87	28.21	26.42	63.04	61.54	61.32	26.09	10.26	12.26
Grade 8	16.44	38.03	26.32	64.38	53.52	56.58	19.18	8.45	17.11
All Grades	16.61	31.15	23.19	60.89	58.08	60.51	22.51	10.77	16.30

Conclusions based on this data:

1. Students showed minor growth in the area of research and inquiry. We will continue to work in all areas of ELA to improve performance.
2. Students will benefit from increased professional development of their teachers in Common Core State Standards using techniques to support student engagement and comprehension.
3. We will continue to focus on the area of reading non-fictional text in grades 6th and 8th.

All Grades	18.89	19.62	17.03	44.07	55.38	55.43	37.04	25.00	27.54

Communicating Reasoning Demonstrating ability to support mathematical conclusions									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Grade 6	20.75	18.02	18.09	48.11	54.95	53.19	31.13	27.03	28.72
Grade 7	12.09	15.38	15.09	62.64	53.85	69.81	25.27	30.77	15.09
Grade 8	13.70	28.17	22.37	45.21	50.70	56.58	41.10	21.13	21.05
All Grades	15.93	20.00	18.12	52.22	53.46	60.51	31.85	26.54	21.38

Conclusions based on this data:

1. Students are adjusting to the increased rigor in Mathematics Common Core State Standards; 59.78% of the students tested in Mathematics nearly met or did not meet the achievement standard. They need substantial improvement to demonstrate the knowledge and skills in Mathematics needed for likely success in future coursework. The area of greatest concern with these students is Communicating Reasoning. Students are not demonstrating the ability to use appropriate tools and strategies to solve real world and mathematical problems. This will be an area of focus for the 2020-2021 school year.
2. Math continues to be an area of focus particularly in grades 6th and 8th.
3. High numbers of students are At or Near Standard. Targeted instruction needs to be focused on those students to shift them to Above Standard.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
316	39.6	2.8	0.9

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	9	2.8
Foster Youth	3	0.9
Homeless	3	0.9
Socioeconomically Disadvantaged	125	39.6
Students with Disabilities	48	15.2

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	36	11.4
American Indian	2	0.6
Asian	2	0.6
Filipino	5	1.6
Hispanic	96	30.4
Two or More Races	39	12.3
Pacific Islander	5	1.6
White	128	40.5

Conclusions based on this data:

1. School enrollment is predominately represented by the race/ethnicity white.
2. 2/5 of the school enrollment is socioeconomically disadvantaged.
3. Our students with disabilities population is at 15.2 %

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="293 506 371 533">Yellow</p>	<p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="769 506 847 533">Green</p>	<p data-bbox="1177 426 1396 457">Suspension Rate</p>  <p data-bbox="1247 506 1325 533">Orange</p>
<p data-bbox="251 623 414 655">Mathematics</p>  <p data-bbox="293 703 371 730">Yellow</p>		

Conclusions based on this data:

1. As a school site we will continue to work on improving suspension rates through PBIS and the addition of SEL instruction within the school day to reduce our suspension rate.
2. Continue to work to improve both mathematics and English Language Arts test scores by providing teachers with professional development and coaching and modeling.
3. We will continue to work to improve absenteeism through attendance incentives and rewards.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group

 Green 2.9 Declined -5.1 105	 Orange 7.9 Increased +3.5 38	 No Performance Color 0 Declined -7.1 12	 Orange 6 Increased +3.3 116

Conclusions based on this data:

1. Continue to work to improve the attendance of Hispanic students and students with disabilities through the use of attendance incentives and rewards.

School and Student Performance Data

Academic Engagement Graduation Rate

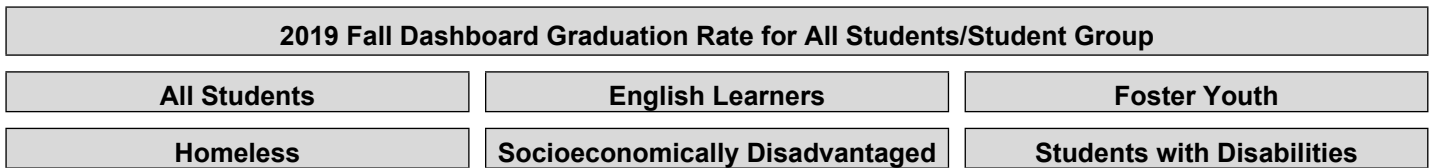

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

- 1.

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2019 Fall Dashboard Suspension Rate for All Students/Student Group		
All Students	English Learners	Foster Youth
 Orange 6.1 Increased +2.5 327	 No Performance Color Less than 11 Students - Data Not 10	
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
 No Performance Color Less than 11 Students - Data Not 5	 Orange 9.7 Increased +7.2 113	 Orange 11.4 Increased +1.4 44

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 Orange 5.3 Increased +0.7 38	 No Performance Color Less than 11 Students - Data 2	 No Performance Color Less than 11 Students - Data 2	 No Performance Color Less than 11 Students - Data 6
Hispanic	Two or More Races	Pacific Islander	White
 Orange 6.5 Increased +4.5 108	 Orange 10.5 Increased +6.2 38	 No Performance Color 0 Declined -6.7 12	 Orange 5.8 Increased +1.3 121

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	3.6	6.1

Conclusions based on this data:

- Continue to reduce the suspension rates through the use of PBIS incentives and the implementation of SEL curriculum.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Mathematics and English Language Arts through Basic Services

LEA/LCAP Goal

1. STUDENT ACHIEVEMENT: All students will achieve proficiency or better in English Language Arts and Mathematics while receiving appropriate academic supports and a well-balanced course of study, including Career Technical Education.

Key Actions: 1.1 – Provide side-by-side professional learning for certificated staff through teacher coaching and modeling

Key Actions: 1.2 – Expand implementation of Response to Intervention (RtI) to encourage and support learning based on identified student needs.

Key Actions: 1.3 – Implement Common Core State Standards and assessments to enable students to develop 21st Century Skills.

Key Actions: 1.4 – Implement site plans through data analysis, plan revisions and school community involvement to increase student achievement.

Goal 1

All students at Fort Irwin Middle School will be provided a rich core curriculum consisting of topics in mathematics, laboratory-based science, weekly writing in all classes, and extensive reading of all types of materials in all classes. Setting high academic expectations and creating a supportive climate of encouragement with extra time and help for students who need it which includes before and after school tutoring hours. Engaging students in challenging, hands-on assignments that require them to practice new skills, incorporate their interests, and relate to life outside the school. Providing families with information about the school and their student's progress, and encouraging discussions between parents and students about educational and career goals. Grouping students to help them connect what they are learning across the curriculum and linking them to a caring adult within the school. Coordinating curriculum, while sharing data among students with their teachers and teachers with the school administrator, and preparing students for success in high school. Working with Human Resources at the District Office to higher and assign highly qualified teachers to every classroom with highly qualified support personnel.

Students will use technology in order to participate in Edmentum, to help monitor student achievement. Teachers assign portions of the district-adopted Mathematics and English Language Arts curriculum online for assignments and assessments.

Implement, monitor, and support tiered instructions so that student achievement meets or exceeds the expectations of the Silver Valley Unified School District, the County of San Bernardino, the State of California, and the Federal Government.

LCAP Alignment: Student Achievement, Technology, and Parent/Student Support

State Priorities: 1 - Basic Services, 2 - Implementation of Common Core State Standards, 3 - Parent Involvement, 4 - Student Achievement, 7 - Access to a Broad Curriculum

Identified Need

Although student at FIMS continue to perform well, it is important that we ensure all students are receiving high quality instruction in all areas and that teachers are trained in new curriculum and instructional practices.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
2019 CAASP ELA Scores	57% met or exceeded standards	ELA proficiency rates will increase by 3%
2019 CAASPP Math Scores	40% met or exceeded standards	Math proficiency rates will increase by 3%

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

Student progress monitoring will occur in the classrooms between students and teachers. Student monitoring conferences will take place between the teachers and the principal and between the Principal and Assistant Superintendent of Educational Services.

Ensure the CAASPP ELA and Mathematics data is reviewed by Language Arts and Math teachers for all incoming grade level students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
1200	Unrestricted 4000-4999: Books And Supplies The school provides every student an agenda that they can use to prepare for their classes.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Engagement and School Climate

LEA/LCAP Goal

III. STUDENT/PARENT SUPPORT: Increase staff and families' ability to support student academic, social/emotional and physical needs.

Key Actions: 3.1 - Continue implementation of Positive Behavioral Interventions and Supports (PBIS) and develop tier 2 and 3 interventions based on student needs.

Key Actions: 3.2 – Develop and implement parent leadership classes to support student success.

Key Actions: 3.3 – Implement site and district safety plans to ensure a safe and supportive work environment for all.

Key Actions: 3.4 – Continue to implement all facilities and maintenance projects detailed in the Facilities Plan.

Goal 2

ALL students will be trained on the school-wide and classroom expectations of Positive Behavioral Interventions and Support to ensure every student is being a responsible, safe, and respectful student. Through the PBIS model, students will be rewarded accordingly through our weekly drawings, attendance awards and quarterly awards programs. Data will be collected and shared with staff to ensure the students are meeting the expectations set forth in the PBIS program.

Teachers will work together in order to implement Advancement via Independent Determination (AVID) strategies school-wide and promote college awareness for ALL students.

LCAP Alignment: Student Achievement, Technology, and Parent/Student Support

State Priorities: 3 - Parent Involvement, 4 - Student Achievement, 5 - Student Engagement, 6 - School Climate, 8 - Other School Outcomes

Identified Need

Annual Measurable Outcomes

Increase by 3% the percentage of students who feel there is a teacher or some other adult who tells you when you are doing a good job.</p>

Metric/Indicator

Baseline/Actual Outcome

Expected Outcome

survey results indicated an increase from 91% in 2019-2020 to 95.6% of parents and guardians strongly agree or agree in 2020-2021.

8. When asked if my child's school rewards good student choices and behaviors? The survey results indicated an increase from 84.8% in 2019-2020 to 92.3% of parents and guardians surveyed said all of the time and most of the time in 2020-2021.

9. When asked if they would recommend their child's school to other parents? The survey results indicated an increase from 85.6% in 2019-2020 to 96.7% of parents and guardians surveyed said yes in 2020-2021.

2019-2020 and 2020-2021 Student Survey Results Comparison

1. When asked, at my school, is there a teacher or some other adult who really cares about me? The survey resulted indicated an increase from 76.6% in 2019-2020 to 84.1% of students surveyed responding as all of the time or most of the time in 2020-2021

2. When asked, is there a teacher or some other adult who tells you when you are doing a good job? The survey results indicated an increase from 77.4% in 2019-2020 to 84.3% of the students surveyed feel that this is very much or pretty much true in 2020-2021.

3. When asked, are you engaged and interested in learning at your school? The survey results indicated an increase from 74% in 2019-

Increase by 3% the percentage of students who are engaged and interested in learning at school.

Increase by 3% the percentage of students that are happy to be at our school.

Increase by 3% the percentage of students that feel the teachers and other adults treat students fairly at this school.

Increase by 3% the percentage of students that feel safe at this school.

Increase by 3% the percentage of students that assemblies, field trips, and other activities are important at this school.

Increase by 10% the percentage of students that see the principal in their classroom.

Increase by 3% the percentage of students that would recommend Fort Irwin Middle School to other kids.

Increase by 3% the percentage of students that feel there is a teacher or adult on campus they can go to if there is a conflict between another student.

Increase by 3% the percentage of students that feel my school provide students with help if they have trouble with their school work.

Increase by 3% the percentage of students who feel if they are having a hard time with something in life besides academics, they know what teacher or adult on campus they can talk to.

Increase by 3% the percentage of students with negative behaviors impacting other students.

Metric/Indicator

Baseline/Actual Outcome

Expected Outcome

2020 to 81.4% of the students surveyed feel that this is very much or pretty much true in 2020-2021.

4. When asked, are you happy to be at this school? The survey results indicated an increase from 84% in 2019-2020 to 93.5% of the students surveyed stated they strongly agree or agree with this statement in 2020-2021.

5. When asked, do you feel the teachers and other adults treat students fairly at this school? The survey results indicated an increase from 83.5% in 2019-2020 to 95% of the students surveyed agreed or strongly agreed in 2020-2021.

6. When asked, do you feel safe at this school? The survey results indicated a slight decrease from 90.5% in 2019-2020 to 88.6% of the students surveyed feel they are safe at school most or all of the time in 2020-2021.

7. When asked, are assemblies, field trips, and other activities important at the school? The survey results indicated an increase from 88.9% in 2019-2020 to 95% of the students strongly agreed or agreed in 2020-2021

8. When asked, do you see the principal in your classroom? The survey indicated a significant decrease from 93.4% in 2019-2020 to 61.4% of the students surveyed indicated they see the principal some of the time or most of the time in their classroom in 2020-2021.

9. When asked, would you recommend Fort Irwin Middle School to other kids? The survey results indicated an

Metric/Indicator

Baseline/Actual Outcome

Expected Outcome

increase from 76.5% in 2019-2020 to 90% of the students surveyed stated yes they would recommend their school in 2020-2021.

10. When asked if there is a teacher or adult on campus I can go to if there is a conflict between myself and another student? The survey indicated a slight change from 69.8% of students surveyed agreed or strongly agreed in 2019-2020 to 67.1% in 2020-2021, and 25.2% of students responded as neutral in 2019-2020 to 30% in 2020-2021.

11. When asked, does my school provide students with help if they have trouble with their school work? The survey indicated an increase from 79.6% in 2019-2020 to 86.4% agree or strongly agree in 2020-2021.

12. When asked if I am having a hard time with something in my life besides academics, do I know what teacher or adult on campus I can talk to? The survey indicated that 66.4 % of the students in 2019-2020 and 67.2% in 2020-2021 surveyed agree or strongly agree.

13. When asked if other students' negative behaviors in class have made it difficult for me to learn? The survey indicated that 22.2% in 2019-2020 and 37.2% in 2020-2021 students surveyed disagree or strongly disagree. In 2019-2020 37.0% responded as neutral and in 2020-2021 29.3% responded as neutral
Not Asked in 2019-2020

14. When asked if they feel SVUSD implemented safety protocols during the 2020-2021 school year that kept me and

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	the other students safe? 82.1% of the students surveyed agree or strongly agree.

Annual Review

SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We continued with PBIS rewards for attendance, adopted SEL curriculum was implemented with daily lessons school wide. We were limited by COVID and safety protocols during the 2020-2021 school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The variety of virtual, small cohort, and virtual learning formats were an obstacle during the 2020-2021 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Due to distance learning and hybrid learning models some aspects of the goal will be postponed until schools are fully open, such as field trips and after school programs are limited due to distance learning model.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

LEA/LCAP Goal

Goal 3

Identified Need

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
------------------	-------------------------	------------------

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

LEA/LCAP Goal

Goal 4

Identified Need

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
------------------	-------------------------	------------------

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

LEA/LCAP Goal

Goal 5

Identified Need

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
------------------	-------------------------	------------------

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$
Total Federal Funds Provided to the School from the LEA for CSI	\$
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$71,200.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
------------------	-----------------

Subtotal of additional federal funds included for this school: \$

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
District Funded	\$8,000.00
LCFF - Supplemental	\$5,000.00
Unrestricted	\$58,200.00

Subtotal of state or local funds included for this school: \$71,200.00

Total of federal, state, and/or local funds for this school: \$71,200.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

Expenditures by Funding Source

Funding Source	Amount
District Funded	8,000.00
LCFF - Supplemental	5,000.00
Unrestricted	58,200.00

Expenditures by Budget Reference

Budget Reference	Amount
	5,000.00
0000: Unrestricted	10,000.00
1000-1999: Certificated Personnel Salaries	1,500.00
4000-4999: Books And Supplies	3,200.00
5000-5999: Services And Other Operating Expenditures	30,500.00
5800: Professional/Consulting Services And Operating Expenditures	21,000.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
5000-5999: Services And Other Operating Expenditures	District Funded	2,000.00
5800: Professional/Consulting Services And Operating Expenditures	District Funded	6,000.00
	LCFF - Supplemental	5,000.00
0000: Unrestricted	Unrestricted	10,000.00

1000-1999: Certificated Personnel Salaries	Unrestricted	1,500.00
4000-4999: Books And Supplies	Unrestricted	3,200.00
5000-5999: Services And Other Operating Expenditures	Unrestricted	28,500.00
5800: Professional/Consulting Services And Operating Expenditures	Unrestricted	15,000.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	35,700.00
Goal 2	35,500.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 5 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 2 Secondary Students

Name of Members	Role
Megan McIntosh	Principal
Jennifer Kinnings	Classroom Teacher
Cole Seal	Classroom Teacher
Cindy Spurlock	Classroom Teacher
Morgan Viloría	Other School Staff
April Palmer	Classroom Teacher
Trishon Ramsey	Parent or Community Member
Heather Brang	Parent or Community Member
Karyn Brunson	Parent or Community Member
Kate Kasprisin	Other School Staff
Katerina Maxwell	Secondary Student
Pamela Murray	Parent or Community Member
Sofia Montes-Rojas	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 11/29/2021.

Attested:

Principal, Megan McIntosh on 11/29/2021

SSC Chairperson, Heather Brang on 11/29/2021

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019
