Jesse Najera Jeff Youskievicz	ASU + GSV Summit 2024	San Diego, CA	April 14-17, 2024	General Fund	\$1,316.00 \$1,316.00 Total: \$2,632	The ASU + GSV Summit, co-founded by Michael, Moe and Deborah Quazzo, began in 2010 with a collaboration between Global Silicon Valley (GSV) and Arizona State University (ASU). Our north star is that ALL people have equal access to the future, and we believe that innovations at scale in "Pre-K to Gray" learning and skills are critical to achieving that end.
John Minshall	Get Your Teach ON	Las Vegas, NV	January 13, 2024	General Fund	\$1,187.63	Get Your Teach On is a professional development and learning conference for Pre K - 6th grade Administrators and Teachers.
Tami Lash	CSNO 74th Annual Conference	Rancho Mirage, CA	February 8-11, 2024	General Fund	\$1,851.82	This conference will help the school nurse expand their professional network and resources to help support the delivery of health care in the school setting. The nurse will also learn how to identify legal implications of school nurse actions related to promoting and protecting students' health and delivery of health services. This conference will equip the school nurse with the capability to evaluate collaborative practices to support prevention policies, programs, and/or campaigns and multidisciplinary strategies that address wellness issues. After this conference, the school nurse will be able to describe collaborative measures to promote health and prevent disease and/or disability in the school community.
